**Silent Auction:** We will have a silent auction to help support the show any donations would be greatly appreciated.

**Attention Exhibitors:** The fairground has rules that we must follow or we take the risk of not being able to rent the facility in the future.

- Goats are allowed only in the pen area and parking lot. Please do not take your goats on the midway, on the grassy area or around the Exhibit Hall. Renters and city folks don't like seeing goat poop scattered around the building or on walk way.
- No goats inside the building section of Barn A.
- Use **only** the restrooms inside the building section of Barn A. The other restrooms on the grounds are rented out to other groups who are responsible for any damages or injuries and they do not want the restrooms used by the goat exhibitors.
- Camping is permitted only at the campground. You can reach the Campground Host at 303-682-6762 for fees.
- Parking: Truck and Car parking in the lot east of Barn A behind concrete barrier. ALL livestock trailers must be parked in the area between the Camping Facility and Humane Society. Handicap people are exempted from this rule.
- Milk Disposal: Please dispose of all milk in the wash racks located between Barn B & Barn A. Do NOT dispose of any milk in the rest rooms, on the ground or in the ditch that runs along the road.
- Manure Disposal: Manure and pen waste can be dumped close to the concrete barrier east of Barn A. Please dump the waste close to the barrier so we have adequate space for driving trailers though to load animals and tack.
- Tape: Only **painters** tape is allowed on any equipment or any of the Fairgrounds facilities. Please do not be using masking tape, scotch tape, duck tape or any other type of tape.

Please be considerate of your surroundings and other people; not everyone may have the same feelings about goats as you do.

*Thank you for supporting Tri-County Dairy Goat Show.*
